PHILOSOPHY

"DESIGN CREATES CULTURE. CULTURE SHAPES VALUES. VALUES DETERMINE THE FUTURE."

EXPERIENCE

XAVIER DEVAUGHN
Designer, March 2017 - present

Collaborating with clients to create creative and beautiful designs that the client and their customers would enjoy and love.

Blocher Partners, Stuttgart GER
Design Trainee, March 2017 - August 2017

Working together with the design team at Blocher Partners called, "Typenraum" to create strategic brands, infographics and visual waypoints for Blocher Partners and outside clients.

NYU Tandon, Brooklyn NY
Graphic Designer, July 2016 - Jan. 2017

Worked with the Marketing and Communication team to design, and produce internal and external promotional and marketing material through print, infographics, photography and video footage of Tandon.

NAIL Communications, Providence RI
Assistant Video Editor Intern, March - May 2016

Making & assisting visual stories telling from video content recieved from clients through NAIL.

OBJECTIVE

Obtain a graphic design position and to imply my ideas of story-telling and work in a graphic design environment that is driven, creative, and open to new ideas of design.

RELATED STUDIES

Color
Development of the perception of color and its use as a tool for the graphic designer. Testing appearance of color relationships in complex structures.

Mapping Information
Using information structure and visual systems of form, color, and typography, to communicate complex information through the use of maps, graphs, charts, and diagrams.

Design, Develop, Evaluating User Interfaces
Modeling and representing user interaction, principles of user experience design, methods for designing and prototyping interfaces, and user interface evaluation.
